ANNUAL REPORT

A Strong Partner for Sustainable Development

June 26, 2019

PRESIDENT RODRIGO ROA DUTERTE

President of the Republic of the Philippines
Malacañang Palace
J.P. Laurel St., San Miguel, Manila

THRU: The Honorable Chairperson
WPU Board of Regents

Dear Mr. President:

Greetings!

I am deeply honored to submit to your office the Annual Report of Western Philippines University for CY 2018.

This report highlights the accomplishments of WPU in line with its Vision and Mission and with the national government development thrusts.

On behalf of the Western Philippines University, I wish to take this opportunity to express our sincere appreciation and heartfelt gratitude for the unwavering support that the government has provided us in our pursuit of our goals and objectives. We are truly grateful for the continuous support and assistance that have enabled us to make significant strides in our endeavors.

Very truly yours,

ELSA PALAO-MANARPAAC
University President

Executive Summary

The year 2018 was the third year of Dr. Elsa Manarpaac's second term as the University President. About the University

Brief History

Western Philippines University traces its history back to 1910 when the American teachers, the Thomasites, founded the Aborlan Farm Settlement School for the Tagbanuas, one of the indigenous groups in the province of Palawan. Only after six years of its establishment did its doors open to non-Tagbanuas. Its focus on agriculture led to its conversion to Aborlan Agricultural High School (AAHS) in 1928. It offered subjects such as Farm Arithmetic, Field Work, and Horticulture. It also offered Literature, Composition, and Physical Education.

Eventually, in 1960, the AAHS was converted into a national regional agricultural school and became known as the Palawan National Regional Agricultural School (PNRAS) by virtue of RA 2619.

Since PNRAS served largely the province of Palawan, it was renamed Palawan National Agricultural School (PNAS) in 1962. A year after, on June 22, 1963, PNAS was converted into the Palawan National Agricultural College (PNAC) by virtue of RA 3648. Its conversion authorized PNAC to offer courses leading to associate degrees in agriculture and agricultural education, bachelor degrees in agriculture, agricultural education, home economics, and also Master of Science with majors in agricultural sciences and Master of Agricultural Education.

It was during this time when PNAC established the internationally awarded Bayanihan School Program, a recipient of the Pro Patria Award and the Ramon Magsaysay Award, in recognition of the services it rendered to more than 2,000 out of school youth and farmers through the Bayanihan Centers in

Barong-barong, Abo-abo, Calasaguen, and Samariñana in Brooke's Point; Magsaysay and San Jose in Dumaran; Bucana, Sibaltan, and Teneguiban in El Nido; Candawaga in Rizal; Antipuluan, Princess Urduja, Calategas, and Malatgao in Narra; Salvacion in Puerto Princesa City; Aramaywan, Quinlogan, and Tagusao in Quezon; Mendoza and San Jose in Roxas; and Abongan, Busybees, and Magsaysay in Taytay. These Bayanihan Centers were the forerunners of the present national high schools in the said areas.

Palawan National Agricultural College was converted to State Polytechnic College of Palawan (SPCP) on May 25, 1995 by virtue of RA 8012. It further authorized SPCP to offer other courses in arts, sciences and technology, and other courses that are consistent with local, regional, and national development. On March 5, 2004, SPCP was converted to a full-fledged university with the enactment of RA 9260 and became Western Philippines University (WPU). More relevant courses were offered; professional development of its faculty and staff was revitalized; and new and stronger linkages with partner institutions were established.

In 2013, WPU was recognized by the Accrediting Agency of Chartered Colleges and Universities in the Philippines (AACUP), Inc. as one of the Top Performing SUCS based on the number of programs awarded accreditation status by levels.

In 2015, in recognition of its environmental advocacy, WPU won awards from the Department of Environment and Natural Resources and Commission on Higher Education. The University was a National Finalist and declared Regional Winner in the National Search for Sustainable and Eco-friendly Schools in MIMAROPA Region (Tertiary Level) and also received the MERALCO Energy Leadership Award- the same awards it previously won in 2013, 2015 and 2017 and Nestle Water Leadership Award- the same award it won in 2017. In 2017, WPU was finally recognized as a national winner for grabbing the Second Place in the nationwide competition.

Major milestones were achieved when Puerto Princesa City Campus was designated as a Center of Excellence in Fisheries and as a National College/

University of Fisheries (NUCF) while the Main Campus was designated as National College/University of Agriculture (NUCA). WPU was also designated as Regional Center for Information and Communications Technology, Regional Center for Vermiculture and Vermineal Production, Affiliated Renewable Energy Center (AREC) and Provincial Center for Human Rights Education by the Commission on Higher Education and Commission on Human Rights.

WPU has gone a long way in its more than one hundred years of existence. From being a humble farm settlement school in 1910, WPU has evolved into a prime mover, a leader, in sustainable development in Western Philippines and beyond through relevant instruction, research, and extension services. Its name has become synonymous with environmental protection and green technology, enabling more people to lead a better life.

Mandate

Western Philippines University shall primarily provide advanced education, higher technological, professional instruction, and training in the fields of agriculture, fisheries, forestry, engineering, environment, education, arts and sciences, rural development and other relevant fields of study. It shall also promote research and extension services and provide progressive leadership in its areas of specialization (Section 2, R.A. 9260).

Vision

WPU: the leading knowledge center for sustainable development of West Philippines and beyond.

Mission

WPU commits to develop quality human resource and green technologies for a dynamic economy and sustainable development through relevant instruction, research and extension services.

Strategic Goals

- I. Achieved international recognition as knowledge center for sustainable development.
- II. Developed into a green academic community based on accepted standards.

- III. Established prominence in research, innovation and extension towards sustainable development.

Core Values

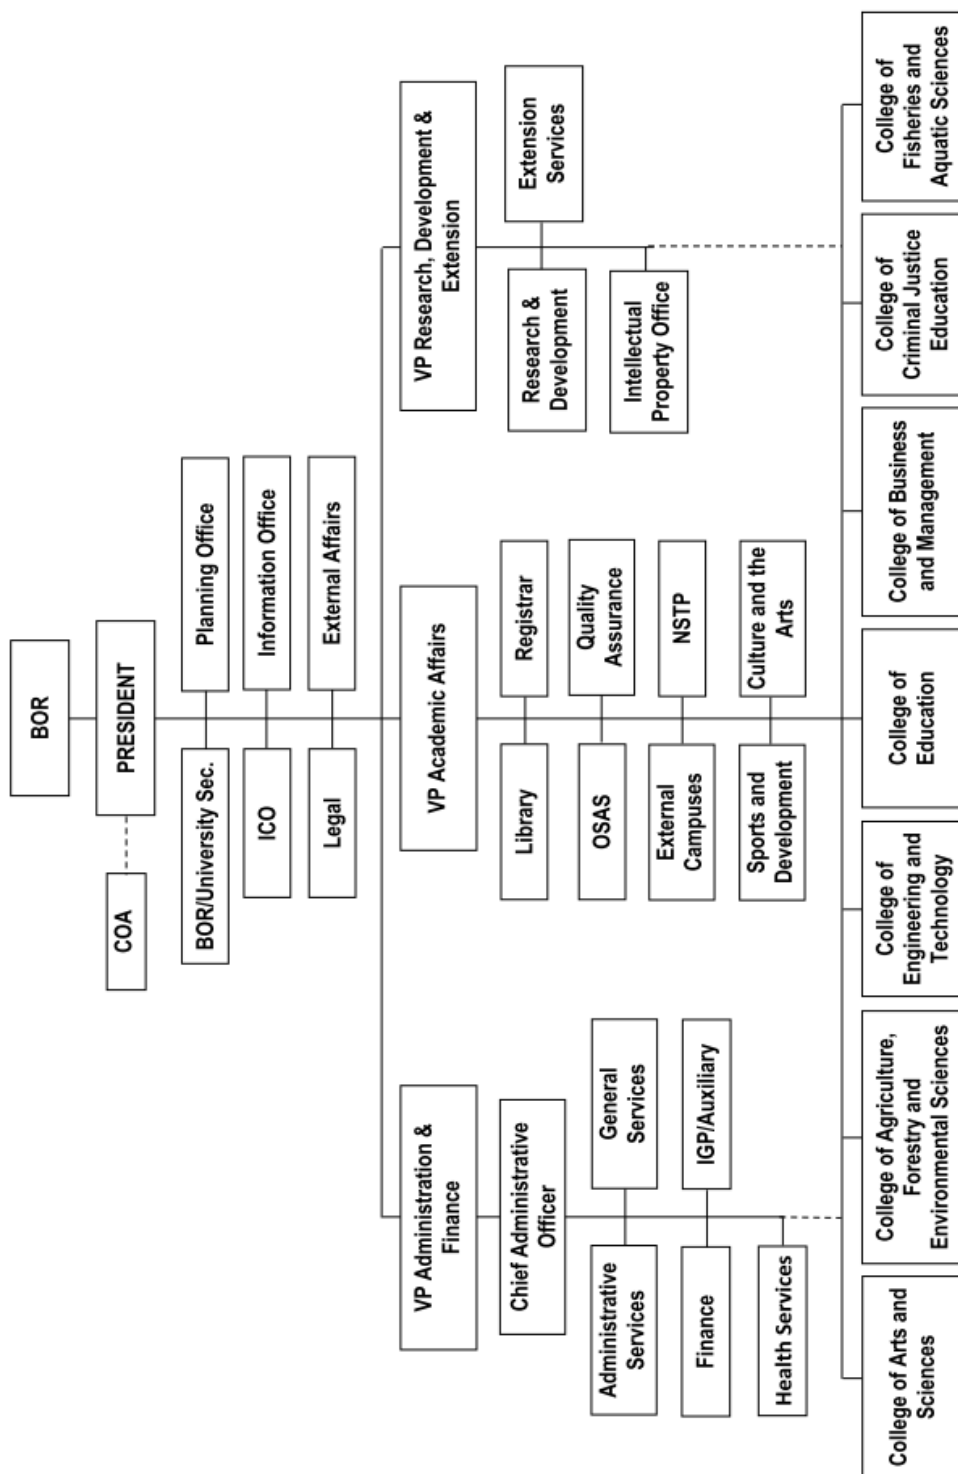

Culture of Excellence. We excel in the performance of our duties to achieve quality results.

Commitment. We commit our talents and abilities for the general welfare of the University.

Creativity. We innovate for the development of the University and its stakeholders.

Teamwork. We promote team approach at all times to achieve common goals.

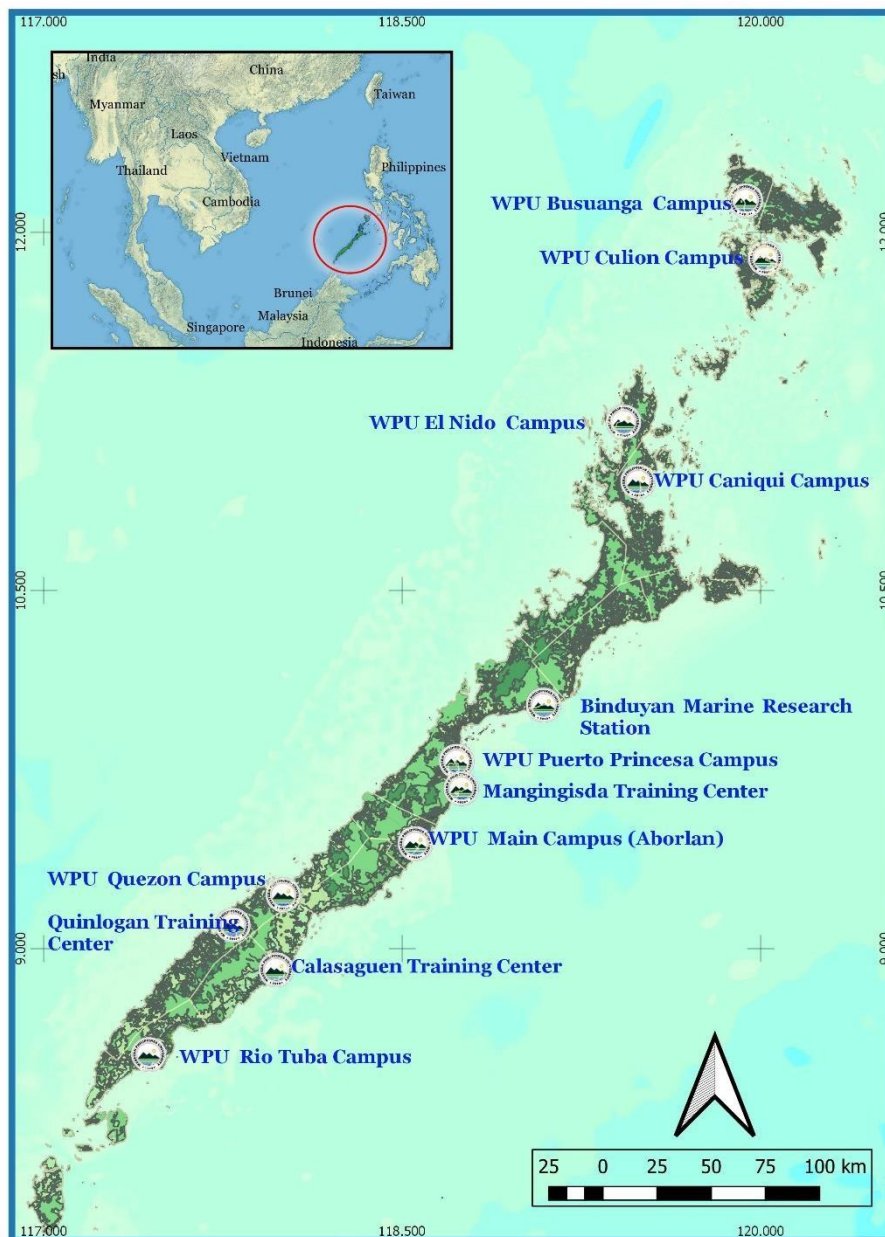

Organizational Structure

Approved per BOR Resolution No. 328, series of 2017, dated May 16, 2017

Areas of Service

The Main Campus of Western Philippines University is located in Aborlan, Palawan. It has a major campus in Puerto Princesa City which offers courses in fisheries and aquatic biology. In response to requests from local government units to provide higher education to their constituents, WPU established campuses in Quezon (2003), Busuanga (2003), Culion (2003) and El Nido (2004). There are two extension schools: Rio Tuba in Bataraza (2004) and Canique in Taytay (2011); three training centers: Quinlogan in Quezon, Calasaguen in Brooke's Point, and Mangisingda in Puerto Princesa City; and one marine research station in Binduyan, Puerto Princesa City.

Enrollment and Graduation Trends

In terms of enrolment, WPU had 7,473 students for the first semester of AY 2018-2019, and 6,806 students for the second semester of AY 2018-2019. Puerto Princesa City Campus had the largest share of enrollees in both semesters.

No. of Enrollees, 1st Semester, AY 2018-2019

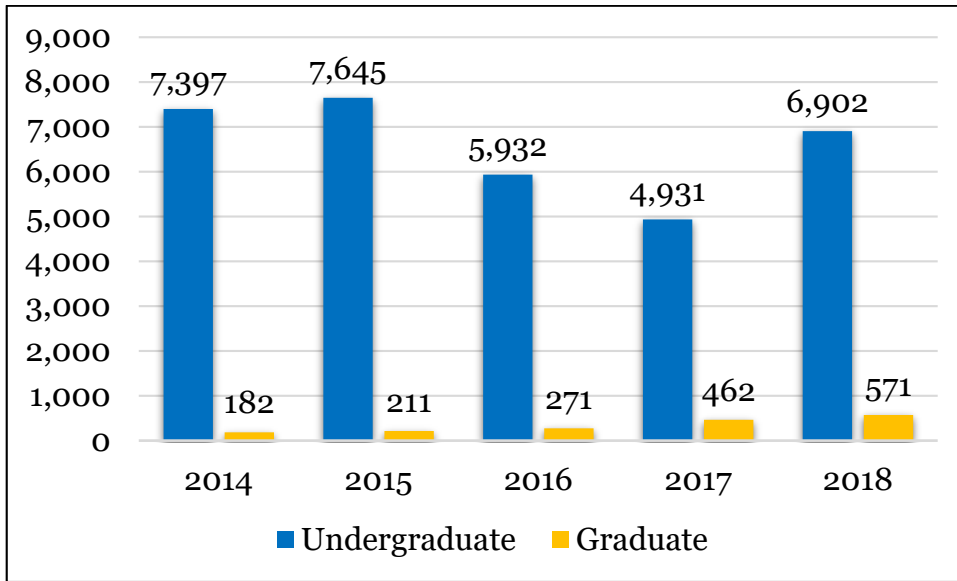

No. of Enrollees, 2nd Semester, AY 2018-2019

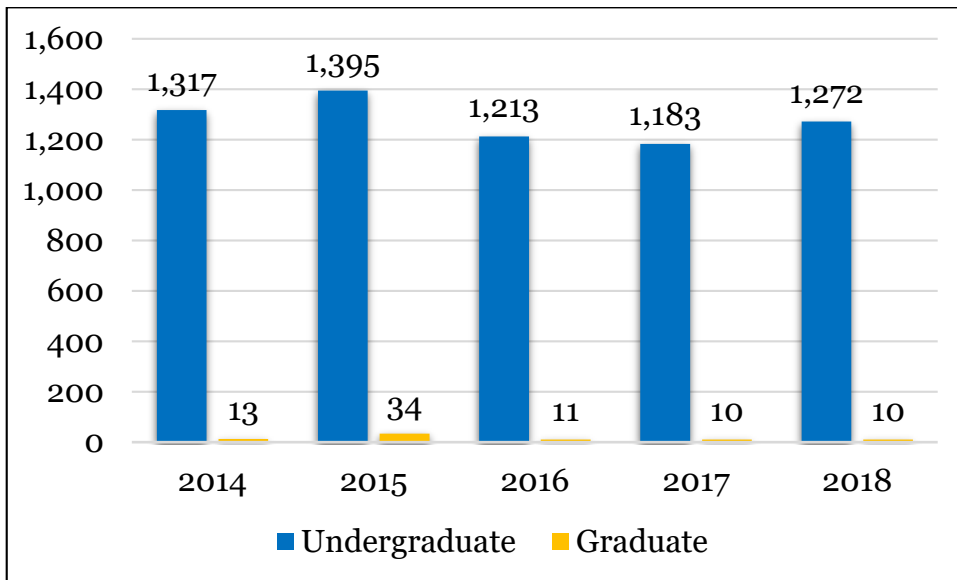

For the last five years, the enrolment in graduate programs ad an increasing trend, from 182 students in the first semester of AY 2014-2015, to 571 students in the first semester of AY 2018-2019. Enrolment in undergraduate programs, however, had decreased in AY 2016-2017 and AY 2017-2018. The downward trend was due to the implementation of the K to 12 Curriculum where the graduates of Junio High School are required to go through Senior High School before they can proceed to college. The enrolment increased again in AY 2018-2019 because the first batch of graduates of Senior High School started to enroll in college.

Enrolment Trend, 2014-2018

The number of graduates for the last five years in the undergraduate programs ranged from 1,213 to 1,395 graduates. The number of graduates decreased in 2016 and 2017, then increased again in 2018. For the graduate programs, except in 2015, the number of graduates annually was less than 20. Overall, WPU contributed an average of 1,276 graduates annually.

Graduation Trend, 2014-2018

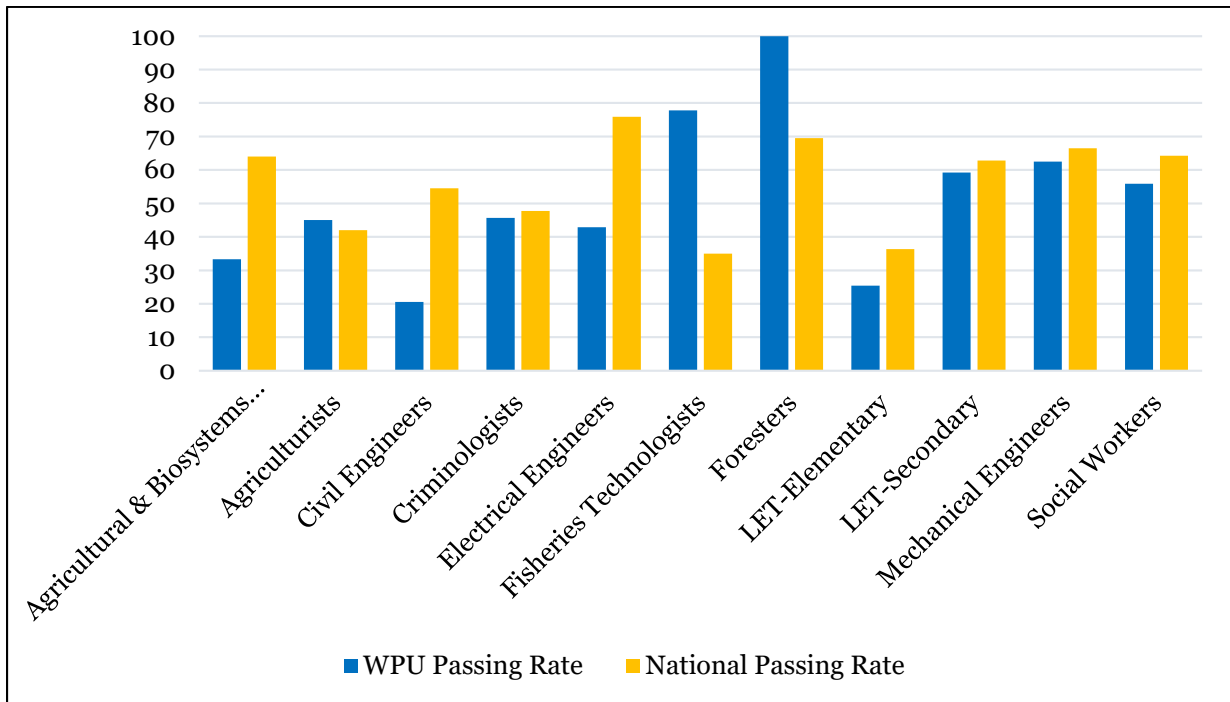

Licensure Examination Performance

In 2018, the passing rate of WPU graduates in some of the licensure examinations given by the Professional Regulation Commission was higher than the national passing rate. Mr. Ryan Caabay Gonzales, a WPU graduate,

ranked 10th in the October 2018 Fisheries Technologist Licensure Examination with 83.00% rating.

Visual arts events during the University Olympics 2018

WPU also hosted the academic contests during the PPPAHEI Friendship Games Part 2 – Academic and Cultural Events held on February 23-24, 2018. WPU participated in five academic events and three cultural events. The awards received were:

- Erikson B. Soriano - 3rd Place, Extemporaneous Speech
- John Paul G. Fabrigas - 2nd Place, Oration
- Hazel Andrea Gumatas - 1st Place, Story Telling
- Klint S. Canilla, Edgar Paalan, John Paul Rey, and Noraima A. Salleh - 3rd Place, Quiz Bee

WPU sent 16 delegates in the 4th STRASUC Culture and the Arts Festival 2018 held on October 2-5, 2018 at Laguna State Polytechnic University, San Pablo, Laguna. WPU participated in ten (10) events and won the following:

- Anaxamines M. Daganta - 5th Place, Photo Contest
- Jay R. Manalo - 4th Place, Instrumental Solo (Banduria)

WPU also participated in the celebration of National Arts Month on February 2018 and co-sponsored two visual arts events – Sining Palawan at Main Campus, and Visual Arts Exhibit at Puerto Princesa City Campus.

Research and Development

Research Thrusts and Priorities

1. Biodiversity Management and Conservation
 - Genetic and gene banking
 - Resource assessment and enhancement (management)
2. Climate change adaptation and risk reduction program
 - Green technology generation and adaptation
 - Carbon trading
 - Assessment studies
 - Policy studies
 - Gender in environment and climate change
3. Poverty Reduction and People Empowerment
 - Organic agriculture and fisheries
 - Fisheries and aquaculture management
 - Resource utilization and management
 - Technology generation for livelihood and commercialization
 - Socio-economic program
 - Health-related studies
 - Gender in socio-economic development
4. Tourism
 - Ecotourism development
 - Ecotourism-support research and extension services
 - Socio-cultural heritage conservation and promotion
 - Agri-forestry tourism and services
 - Impact assessment
 - Gender responsive tourism
5. Governance
 - LGU and private sector capability building
 - Political and government intervention/initiatives
 - Peace and order, and public safety
 - Gender-responsive governance
6. Development Education
 - Curriculum review and development
 - Instructional material development

WPU successfully hosted the 3rd International Conference on West Philippine Sea held on May 3-5, 2018 at The Legend Hotel, Puerto Princesa City. There were 125 participants during the conference, 45 paper presentations, and 42 poster presentations.

Research Awards

WPU researchers received four awards for paper presentations and one award for poster presentation. One of the awards were international, and five were regional.

- **Best Paper Presenter**, Maria Mojena G. Plasus, *Fish Nutrigenomics: A promising tool in understanding genetic response of fish towards diet containing taurine (A study on Common Carp *Cyrinus carpio* and*

Japanese flounder Paralichthys olivaceus), International Conference on Methodological Advances in Research, University of San Jose-Recoletos, Cebu City, July 24-26, 2018

- **1st Best Paper**, Lota A. Creencia, *Developing a Local Culture System for Abalone in Coastal Communities of Palawan, Philippines*, 4th National Conference on Sustainable Development and 5th Palawan Research Symposium, Citystate Asturias Hotel and Palawan State University, Puerto Princesa City, July 26-27, 2018
- **2nd Best Paper**, Jhonamie M. Omar, *Anti-hyperglycemic Potential of Selected Seaweed Species in Puerto Princesa City, Palawan*, 4th National Conference on Sustainable Development and 5th Palawan Research Symposium, Citystate Asturias Hotel and Palawan State University, Puerto Princesa City, July 26-27, 2018
- **2nd Best Paper**, Arlene L. Avillanosa, *Restoring Asian Catfish *Clarias microcephalus* from Natural Inland Waters in Luzon, Philippines*, 4th National Conference on Sustainable Development and 5th Palawan Research Symposium, Citystate Asturias Hotel and Palawan State University, Puerto Princesa City, July 26-27, 2018
- **3rd Best Poster**, Jhonamie M. Omar, *Anti-hyperglycemic Potential of Selected Seaweed Species in Puerto Princesa City, Palawan*, 4th National Conference on Sustainable Development and 5th Palawan Research Symposium, Citystate Asturias Hotel and Palawan State University, Puerto Princesa City, July 26-27, 2018

Dr. Nonillon M. Aspe was awarded “2018 Outstanding Young Scientist” by the National Academy for Science and Technology on July 12, 2018 at the Manila Hotel.
